## Wetzel Out; Weir New Hospital Head

Henry M. Weir of Spartanburg, S. C., has been employed by the Northwestern Palm Beach County Public Hospital Board as new administrator of the Everglades Memorial Hospital in Pahokee. He takes over his new duties Sept. 1, succeeding Harold E. Wetzel who on that date becomes the new administrator of the Fort Pierce Memorial Hospital.

Weir was trained at Duke University, Durham, N. C., where he received an AB degree and took two years of post graduate work in hospital administration. He resigned his position as assistant administrator at the Spartanburg General Hospital to come to Pahokee and in the past has been administrator of the Clarendon Memorial Hospital, Manning, S. C., and administrator of the Greensboro Polio Hospital in South Carolina. He served in the U. S. Air Force from 1943 to 1946.

The new administrator is preparing to move to Pahokee with his wife and two children, a daughter, four, and an infant son, in the near future.

## Earwood Speaker At Lions Meeting

Henry O. Earwood of Belle Glade was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night.

Introduced by A. R. Harrington, the speaker reviewed the present status of the South Florida Water Control program and was critical of the building of coffee dams in the West Palm Beach and Hillsboro Canals by the engineers at the start of the hurricane season, especially after the heavy rainfall this summer. This interference with the free drainage of water from these canals is already creating water control problems for some Glades growers and cattlemen by causing the mucklands to become extremely water sogged and would be a contributing factor to disastrous floods in the Glades area of Palm Beach County should storms accompanied by heavy rains strike South Florida this fall, he said.

Earwood urged the Lions to assume the responsibility of seeing that the Canal Point area is properly represented at the public meeting in the Belle Glade City hall Tuesday, Aug. 25, at 2 p. m., when the U. S. Engineers will hold a hearing to receive complaints relating to flood control by Glades residents.

President Delmar Hooks named Grady Boynton, O. H. Sheppard, A. R. Harrington, Albert Fremd and Floyd Erickson on a special committee to consult with Lewis Friend of Pahokee is determining the best manner in which the interests of Canal Point residents can be stressed at the hearing.

Rainbow Springs, near Dunnellon, is the site of much of the underwater filming of the first full length three-dimensional underwater movie. Shooting is scheduled for the first two or three weeks in September.

## Lofcoop Elects Officers For Year

The board of directors of the Lake Okeechobee Farmers Cooperative at a meeting in the LOFC offices at the Canal Point packing center elected Walter Kautz of Canal Point, LOFC president for the 1953-54 year; Hilton Jones of Pahokee, vice president, and Floyd Erickson, secretary-treasurer.

The board voted to set up a reference list of all stockholders in the cooperative, separating the active from the inactive members.

## 5 Churches Have Vacation Schools

A total of 285 children enrolled in the five daily vacation church schools that opened in the Pahokee-Canal Point area Monday morning and this enrollment was expected to climb as the school activities got fully under way this week. These schools are being directed by 81 church workers and will last from 10 days to two weeks.

The largest of the five vacation schools is at the Pahokee First Baptist Church were 128 children from 3 to 16 years were enrolled Monday morning and a teaching staff of 24 workers was headed by the pastor, the Rev. W. Hal Hunted.

The enrollment at the four other schools: Pahokee First Methodist Church, 53 children four to 12 years and 20 workers; Canal Point Methodist Church, 45 children 4 to 14 years and workers; Canal Point Baptist Church, 38 children 5 to 16 years and 18 workers; Church of God on Barfield Highway, 23 children 4 to 13 years and 8 workers.

## Civic Clubs Talk Resuscitator Plan

J. R. Prescott, Jr., of Tampa demonstrated the use of a resuscitator at the Tuesday luncheon of the Pahokee Lions Club, with representatives from other local civic clubs attending to see the demonstration.

It was decided to form a committee composed of representatives from all local civic groups for the purpose of working out ways an means of purchasing a resuscitator for public use as a community welfare and safety measure. The life-saving device will cost approximately \$400.

President Curtis Chase appointed Bill Moss to represent the Pahokee Lions Club on this special community welfare and safety committee.

### MRS. TRIPP ILL

Mrs. James B. Tripp, former Pahokee resident now living in Orlando, is seriously ill at a hospital in that city, according to word received here. She is the wife of the former pastor of the Pahokee Church of the Nazarene and was president of the Pahokee Church of the Nazarene and was president of the Pahokee Unit of the Woman's Christian Temperance Union until she moved to Orlando a few months ago.

## A. E. Kirchman Is New Elks Deputy

CHICAGO, ILL.—Earl E. James, Grand Exalted Ruler of the Benevolent and Protective Order of Elks, has announced the appointment of A. E. Kirchman as District Deputy

Grand Exalted Ruler for the Florida South Central District.

The Florida South Central District has jurisdiction over Lodges in West Palm Beach, Lake Worth, Delray Beach, Ft. Pierce, Vero Beach, Stuart-Jensen, Ft. Myers, Pahokee, Clewiston and Belle Glade, Florida.

A. E. Kirchman left on August 20 for Bedford, Virginia to attend a regional conference of District Deputies called by Grand Exalted Ruler James to discuss affairs of the Order and activities for the coming year.

Mr. Kirchman has served the Order in several previous positions having held the Order as the first exalted ruler of the Belle Glade In-stituted Lodge in 1947-48. He has served several appointed positions, as well as being Vice President of the Florida State Elks Association representing this same South Central District.

## Mrs. Maxwell Named Finance Chairman Of Garden Club

Mrs. Leo Maxwell was named finance chairman of the Pahokee Canal Point Garden Club at a business meeting held in the Pahokee city park Tuesday morning, with Mrs. Claude L. Shirley, president, presiding. Mrs. Shirley also appointed Mrs. John T. Pickett and Mrs. H. M. McIntosh on the club's special flower arrangement committee.

It was announced Mrs. Frank Friend, past president of the club, has 25 flowering yellow elders ready for transplanting and distribution to local residents wishing to add this flowering tree to their home landscaping program.

The club voted to conduct regular business meetings on the second Tuesdays of each month and it was announced club circles will meet separately the third Tuesdays of each month during the coming season, starting in September.

At the close of the meeting club members enjoyed a covered-dish luncheon in the park.

Building costs are continuing to climb, reports Architectural Forum Magazine.

## Funeral Services For A. J. Heldt, III

Funeral services for Arnold J. Heldt, II, 12-day-old son of M-Sgt. and Mrs. Arnold J. Heldt of Canal Point, were held at the Canal Point Methodist Church Monday at 10 a. m., with the Rev. B. William Palmer, pastor, officiating.

The infant was born at the PBIA hospital on Aug. 3, and died at the hospital Saturday morning. Burial was at the Port Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

## Cow Prices Reach New Low In Glades

At the Glades cattle market on Monday 960 cattle sold for a return of \$47,073.10 with 70 per cent of the offering going to slaughter buyers and reaching a new low in prices.

In the slaughter group steers ranged from \$4.00 cwt on canner grades to \$15.25 on commercial grades. Heifers, averaged from \$3.00 on canner grades to \$12.25 on utility. Calves, averaged from \$5 on culs to \$17.75 on good grades. Cows ranged from \$3.00 on canners to \$11.75 on utility and bulls from \$6.25 in cutter grades to \$11.50 on utility.

In the stocker group inferior was the only grade offered in steers, which brought \$7 to \$12.50 cwt, and in heifers, which sold for \$7 to \$12.50 cwt. Common grade only was offered in calves, which brought \$12, and inferior in cows, which sold for \$6 to \$10.75.

These prices are as low as any since the market has been established. Cattlemen are pessimistic over today's outlook for the cattle business in the Glades.

## Shive Family In Reunion Sunday

A reunion of the Shive family was held Sunday at the summer cottage being occupied through August by Mr. and Mrs. O. D. Carpenter and daughter, Carol, at Palm Beach Shores, the occasion being in celebration of the birthday anniversaries this month of three of the Shive daughters, Mrs. Ralph Grimes, Mrs. John Dulany and Mrs. Carpenter.

Other attending were Mrs. C. A. Shive, Mr. and Mrs. Duncan Padgett and son, Calvin, John Dulany and son, Phillip, of Pahokee; Mr. and Mrs. Albert Garcia and family of Tampa; Mr. and Mrs. Walter Curd and son, Ted, of West Palm Beach.

## Housing Board In Annual Meeting

J. F. Waddell was re-named a member of the Pahokee Housing Authority Board at the annual dinner meeting of board members and other PHA officials held Wednesday night in the Glades Club, with the wives attending as dinner guests.

Mrs. James W. Vann, wife of the executive director, who assists in the work at the Pahokee Labor Supply Camp, was presented with a PHA award of achievement.

## Flood Control To Be Meeting Topic Next Tuesday P. M.

State and Federal flood control authorities, members of the Palm Beach County Resources Development Board committee and landowners concerned with water problems will meet at the Belle Glade City Hall next Tuesday afternoon (Aug. 25) according to Luther Jones, chairman of the RDB committee.

"This will be the most important fact-finding and planning meeting on water conservation and flood control to be held in Palm Beach county in several years," Chairman Jones announced, "and we want everyone who can contribute something to the subject to be present. Individual opinions, criticisms, and suggestions will be welcomed at this meeting" the chairman said. "This is a public session for the benefit of landowners of this area."

Representatives of the Jacksonville district office, Corps of Engineers headed by Col. H. W. Schull, Jr., district engineer; members of the governing board of Central and Southern Florida Flood Control district and their staff members; representatives of water conservation committees from several counties and members of the flood control committee of the State Chamber of Commerce (continued on page 8)

## Flier Injured In Dust Plane Crash

Bobby Phillips, former Pahokee resident, was seriously injured on Wednesday of last week when the light dusting plane he was piloting crashed near Fairfax, S. C., where he was assisting his brother, Jack Phillips, in crop dusting operations in that area. It is reported he was pinned in the wreckage of the plane for a considerable time before it was possible to move him to the Allendale, S. C., hospital where it was found he suffered severe facial gashes, several broken bones and internal injuries.

The accident occurred after Phillips completed the dusting of a field and on a turn was forced to stall his plane to avoid hitting a tree.

For the past few years he has been serving in the U. S. Air Force and was released from the service about a month ago when he joined his brother and family at Fairfax.

When they learned of the accident, his parents, Mr. and Mrs. J. C. Phillips of Wauchula, and sister Mrs. Paul Sasser of Pahokee, left immediately for Fairfax. Upon her return to Pahokee Monday Mrs. Sasser reported Bobby's condition is improving, that the attending physician believes he is out of danger but many long weeks lie ahead to complete recovery.

## DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

### 25 YEARS AGO

Almost as great a boom as the east coast of Florida had in 1925 is the development that is now under way in the upper Everglades. In the upper Everglades two rail way companies have begun the construction of 20 miles of track, the State Road Department has eighteen miles of highway under construction, the Florida Power and Light Company is to set poles and string wire in the 13 miles of territory from Pahokee to South Bay, the Southern Sugar Company is erecting at Clewiston the large sugar mill that it bought from the Pennsylvania Sugar Company, and hundreds of acres of land are being cleared at Canal Point to increase the plantings of sugar cane.

The quantity of lumber required for the buildings the sugar company is to erect at the mill is stated by a Canal Point lumber dealer to be 900,000 feet. The lumber will be cut at the mill at Sherman.

Only one boat on the lake is known to have been lost in the storm last week, and that was not really lost—it merely broke from its mooring and floated off and grounded. It was the boat John Fult carries mail in between Pahokee and Kraemer Island. Until he recovers his boat Captain Fult is using a smaller boat—with kicker.

St. Lucie canal, represented as

the control canal of Lake Okeechobee, was dammed with sand in possibly a score of places as a result of the storm, the Stuart Daily News said in its issue of Saturday August 11. At a place, possibly three miles west of Indiantown there is a great drainage ditch which is now washed out until it is at least 300 feet wide. This has washed sand into the canal until there is a dam completely across the canal. No water can get through except what seeps through the sand. There are many other sandbars caused by wash from gullies. The canal is in much more serious condition than the public imagines.

Mosquitoes Were Bad, Dead of Old Age Now—The worst infestation by mosquitoes ever known, in the upper Everglades was experienced Tuesday and Wednesday nights. A horse and a cow died at Pahokee from effects of insect bites. One of the animals belonged to J. W. Cochran and the other to C. C. Morris. Prof. H. L. Speer says the nuisance is abated by the mosquitoes having lived their allotted time and died.

Martin Klafler, aged 39, employed at Clewiston, died Saturday on a boat in Lake Okeechobee as he was being transferred to an ambulance and sent to a hospital in West Palm Beach. He died from loss of blood five hours after starting gear on the engine of the boat.

Thorobred broke from the flywheel and flew off and cut Klafler's leg off above the knee. The Thorobred was tending a dredge and was in a canal distant from Clewiston. The boat being disabled, Klafler's companion on the Thorobred swam to shore and got assistance. Klafler's injuries were treated at Clewiston and he was put on a boat to be sent to West Palm Beach, but died a few miles out of Clewiston.

W. H. Reddick will return the first of the month to his position as agent at Canal Point for the Florida East Coast railroad. He is on vacation and has made his headquarters at Cocoa, his old home, where he has a house.

Jack Barrett and John Thomas, agents for the Gulf Refining Company, have bought a truck with tanks on it which have a capacity of 750 gallons. They went to St. Augustine and got it, leaving here Saturday night and returning Monday.

Pahokee's bank, the Bank of Pahokee, is the oldest bank in Palm Beach County. Postmaster George C. McLarty recalled this week. Once there was a Pioneer Bank in West Palm Beach; this became the First National and then the First American. After the Pioneer Bank came the Farmers, and then the Bank of Palm Beach and others. Every bank in the county that was organized ahead of the Bank of Pahokee has ceased business; all of the banks that are doing business were established after the organization of the Bank of Pahokee in 1922.

Baseball—East Beach won from Belle Glade yesterday—Thursday, August 9—South Bay and Belle Glade transferred their game to South Bay after playing one-half inning due to a heavy rain at Belle Glade. It was a good game and resulted in the score of 4-3 in favor of South Bay.

Belle Glade—S. C. Raulerson returned Monday from Hot Springs, Arkansas, where he and his family stopped over at Oneida, Kentucky, Mr. Raulerson coming alone. He encountered the freakish hurricane near Atlanta. He says the Atlanta papers printed exaggerated accounts of the storm at Palm Beach.

### Mrs. Hull Named New Member Circle

Mrs. W. C. Hull was received as a new member of the Margery Lair Circle, First Methodist Woman's Society of Christian Service at the August meeting of the circle in the home of Mrs. M. P. Holman Monday afternoon.

Mr. Arch Blakey, WSCS president, and Mrs. Frank Friend, circle chairman, gave reports on the WSCS School of Mission they attended in Lakeland this summer. Mrs. G. W. Eyr, Sr., spoke on "Missions in Africa" and Mrs. Holman presented the devotional program.

It was announced Margery Lair Circle members will make up the flower and greeting committees at the church for the month of September and will be in charge of the program and refreshments at the first WSCS general meeting of the fall season to be held in the church auditorium Tuesday, Sept. 3, at 3:30 p. m.

Mrs. Rembert A. Guy, the pastor's wife and chairman of the Mabel Simonson Circle, was introduced as a visitor. Following the meeting the group visited Dr. W. H. Lair, a church officer who is confined to his home on east Main St., because of ill health.

Florida's newest major tourist attraction, Ponche de Leon Springs near DeLand, was known as Garden Springs until late in the nineteenth century.

Your own personality and the things you are most interested in are likely to indicate the type of eyesight problem you may have, says the Florida Optometric Association.

### IN THE HOSPITAL

Mrs. Tommie Lee DuBose, a member of the Pahokee Elementary School faculty, is a patient at the South Highland Infirmary, Birmingham, Ala., where she recently underwent major surgery, according to word received here by friends. Mrs. DuBose has been visiting her father, Mr. Holmes, and other relatives in Goodwater, Ala., this summer.

A new U. S. commemorative to honor the 50th anniversary of the Trucking Industry will be issued on Oct. 27. The date of issue will coincide with the American Trucking Association's annual convention at Los Angeles.

United States Steel Homes is the new name of the former Gunison Homes, national subsidiary of United States Steel. Production is expected to begin within a short time in their new plant at Harrisburg, Pa.

Key Westers, 50 years or older, remember when President William Howard Taft visited Key West. He arrived on the first train that the city had ever seen, in company with Henry Flagler who financed the overseas extension of the Florida East Coast Railway.

Mr. and Mrs. Clarence Pearce are vacationing in Englewood, Fla., this week.

## Defense is your job, too!

**T**HIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U.S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, strength is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month-Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

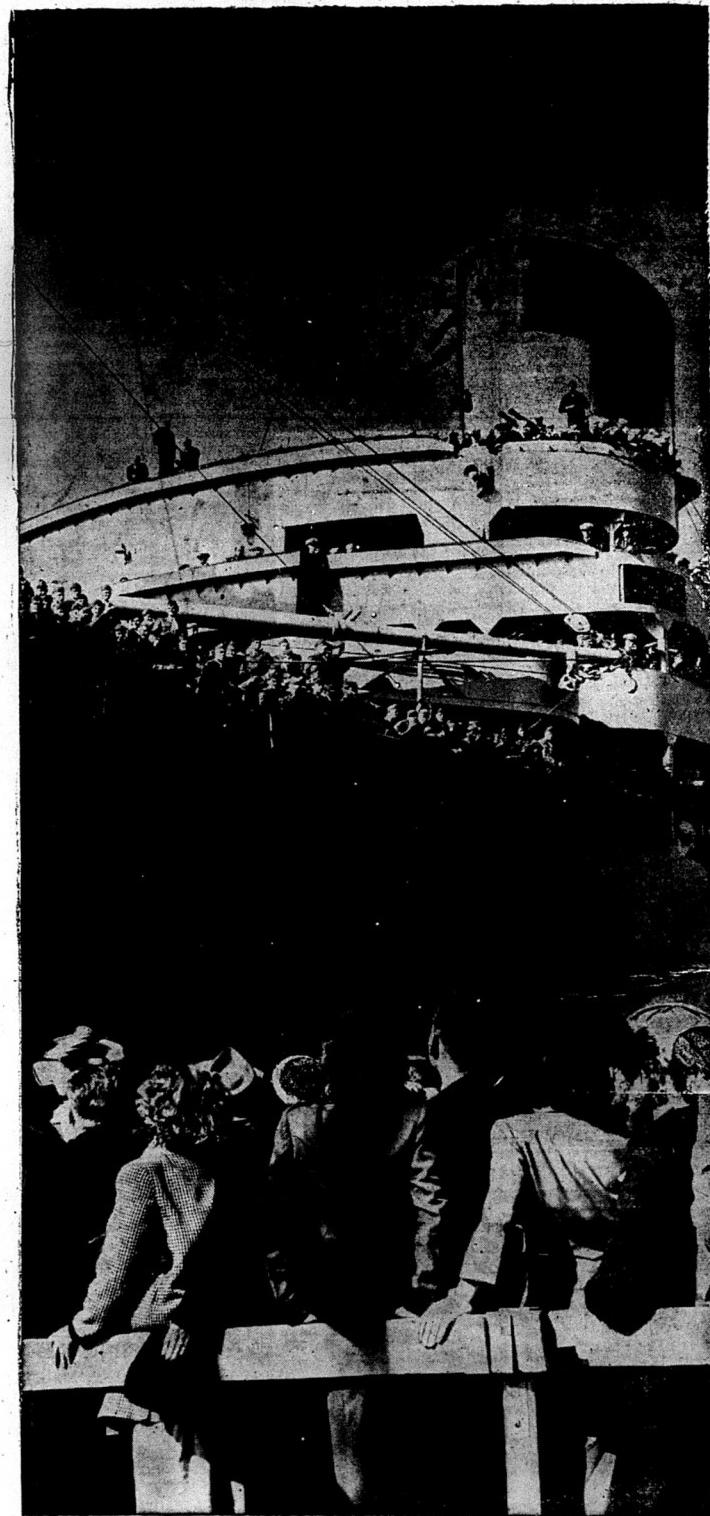

### The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U.S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Plans Complete For Hooks-Hurt Wedding Sept. 13**

Plans have been announced for the wedding of Miss Rita Faye Hurt and Stanley Lamar Hooks, the ceremony to take place at the Pahokee First Methodist Church Sunday, Sept. 13, at 4 p. m., with the Rev. Earl Jones, pastor of the Okeechobee Methodist Church, officiating.

The bride-elect has chosen her sister, Miss Anna Lee Hurt, to serve as maid of honor. The bridesmaids will include another sister, Miss Joyce Lynn Hurt, and the Misses Louise Hatton, Gloria Stuart and Donna Jo Spooner.

Delmar L. Hooks will serve as his son's best man. Bob Harris, brother-in-law of the bridegroom-elect, Harlan Sears and James La-tham will be ushers.

The program of nuptial music will be presented by Robert O. Lampi and Jack Boland, vocal soloists, and Mrs. Sydney K. Smith, Jr., organist.

**Patricia Ann Tucker Weds Ralph Chaney**

Miss Patricia Ann Tucker, daughter of Mr. and Mrs. M. J. Tucker of Bridgeport, West Va., became the bride of Ralph Harold Chaney, son of Mrs. Cassie Chaney of Pahokee, at the First Baptist Church in Pahokee Sunday afternoon.

The Rev. W. Hal Hunter, pastor, read the vows for the double ring ceremony as the couple stood before the altar which was lighted with tapers and decorated with baskets of gladioli against a background of palms.

The program of nuptial music was presented by Lynn Shirley, pianist, and Ferris Kincaid, vocal soloist, who sang, "Because," "Through the Years" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of chantilly lace, net and nylon tulle with long sleeves pointed at the wrists. The lace bodice was inserted with net yoke in front and back and the skirt had side panels of lace flowing into the long nylon tulle train. The shoulder-length veil of leaf design was in three tiers interwoven at the head into a crown scattered with seed pearls.

She carried a bouquet of white pom-poms centered with a white orchid. Her only ornament were pearl ear rings, a gift from the bridegroom.

Miss Patricia Ann Parker of Romney, West Va., maid of honor, was in a yellow strapless gown with lace bodice and net skirt and matching lace jacket. She wore a coronet of flowers and carried a matching pompon bouquet.

The gowns of the two bridesmaids, Miss Bobbie Jean Crouch of Clewiston, who chose nile green, and Mrs. Lee Carroll Parker of Pahokee, light lavender, were identical in design, with strapless lace bodices, net skirts and matching lace capes. They carried pompon bouquets and wore matching headpieces of flowers.

Martha Jo Allen, flower girl, preceded the bridal couple to the altar scattering flower petals along the aisle.

Hueston Connell served as Mr. Chaney's best man. Floyd Peacock and Marvin Baker were ushers.

Mrs. Tucker chose for her daughter's wedding a toast lace dress with brown accessories and a yellow carnation corsage. Mrs. Chaney, the bridegroom's mother selected a light green lace dress with white accessories and a white carnation corsage.

At the reception in the Woman's Club building following the ceremony Mrs. Kenneth Shroyer of Enterprise, West Va., aunt of the bride, and Mrs. H. R. Hall of Clewiston presided at the refreshments table which was covered with lace and had in the center an

arrangement of chrysanthemums circling a miniature bride and groom.

The table, with a four-tiered wedding cake at one end and a crystal punch bowl at the other, was lighted with white tapers in double crystal holders. Assisting were the Misses Ann Thompson, Hazel Chaney, Pat Kumer, Charlene Stuckey and Sara Summers.

The bride changed to a white and charcoal traveling dress with white accessories before leaving on the wedding trip to include a tour of the Northeastern States. Upon their return the couple will make their home at 401 Bacon Point Road in Pahokee where he is associated with Shirley Brothers, concrete manufacturers.

Among the out-of-town guests were Mr. and Mrs. Richard Hall, Robert Stacy, the Misses Dorothy Steek and Peggy Jo Smith, Clewiston; Mrs. Geraldine D. Bartolomew and Bob Rabe, West Palm Beach; Mr. and Mrs. J. M. Tucker, Bridgeport, West Va.; Mrs. Bea Shroyer and J. Frank, Enterprise, West Va.

**Betty Faye Gilbert Weds C. E. Williams**

Miss Betty Faye Gilbert, daughter of Mr. and Mrs. Otha O. Gilbert, former Pahokee residents now living in Carrollton, Ga., and Clarence E. Williams, son of Mrs. Ora W. Powell of Pahokee, were united in marriage at the home of the bridegroom's mother on Barfield Highway, Pahokee, Saturday, at 11:30 a. m., with the Rev. W. Hal Hunter, pastor of the Pahokee First Baptist Church, officiating at the double ring ceremony.

The bride wore a blue crepe ensemble with white accessories and a white orchid corsage.

Miss Margaret Powell, sister of the bridegroom, was the bride's only attendant. She wore a two-piece pink linen suit with white accessories and a pink carnation corsage.

Edwin Rice was Mr. Williams' best man.

Following the ceremony a small reception was held in the living room of the Powell home which was decorated for the occasion with arrangements of pink gladioli. Mrs. Frank Thompson, aunt of the bridegroom, presided at the punchbowl while Miss Wynell Gillis served portions of the wedding cake.

After a wedding trip to Georgia, where they will visit her parents, and to the mountains of North Carolina, Mr. and Mrs. Williams will make their home on East Main, St. in Pahokee where he is associated with his mother in the Everglades Insurance Agency.

The Fall Meeting of the Florida Press Association will be held at Silver Springs Oct. 30-Nov. 1, officials announced this week.

## THERE'S MAGIC IN THE AIR OVER PAHOKEE

E. F. REDDY, District Manager

Magic is in the air—the familiar magic of your favorite network radio programs, brought to your radio station over Bell telephone circuits.

\* \* \* The transmission of network radio over telephone facilities is just one of many developments that sprang from basic Bell telephone research to enrich the lives of millions. The microwave radio relay, which carries Long Distance calls and network television, and the sending of news photographs over telephone wires also grew out of the constant search for new magic to make your service ever better. \*

It takes more than magic, however, to keep telephone service growing with the community. It takes a financially healthy Telephone Company, with earnings high enough to keep service good today—and growing tomorrow.

## Christian Science Group Of Canal Point

Keystone of services to be held in all Christian Science churches next Sunday is the supremacy of Mind, or God, over matter. Subject of the Lesson-Sermon is "MIND".

A verse from I Samuel (2:3) provides the Golden Text: "The Lord is a God of knowledge, and by him actions are weighed".

Selections from The Holy Bible include: "Whence then cometh wisdom? and where is the place of understanding?" (Job 28: 20).

Corresponding passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Matter and Mind are opposites. One is contrary to the other in its very nature and essence; hence both cannot be real. If one is real, the other must be unreal. Only by understanding that there is but one power—not two powers, matter and Mind,—are scientific and logical conclusions reached" (p. 270).

Members were urged to attend the WSCS fall seminar to be held in Delray Beach Sept. 10 from 10 a. m. to 3 p. m. Mrs. John Elton, publications chairman, gave a report on the World Outlook and the Methodist Woman. Mrs. Hugo Boe asked members to collect merchandise premium coupons for the benefit of the Methodist Children's Home at Enterprise.

Mrs. Claude Padgett was welcomed as a new member. Introduced as visitors were Mrs. John Dulany, Mrs. John Elton and Mrs. W. A. Slaughter of the Martha Martha Circle; Mrs. Ernest Maxwell and Mrs. Ruth Meredith of the Gertrude Shirley Circle; and Mrs. W. C. Hull of the Margery Lair Circle.

## Cattle Prices In Florida On Decline

WINTER HAVEN—"While most of the markets reporting to this office give cattle prices as slightly lower, there were some reports of steady prices and one market which quoted slaughtered calves as "strong to \$1.00 or more". The same market quoted hogs as "a little stronger on heavy grades, lower on lighter grades," according to L. H. Lewis, Director of State Markets.

The Gainesville Livestock Market will offer a load of purebred Hereford heifers, without papers, at their usual Monday's sale today.

On 13 sales centers reporting the past week, 7,384 head of cattle and calves and 3,578 hogs and pigs were sold. Seven of these markets report gross returns of \$207,146.59. The previous week's totals on 13 markets were 6,298 cattle and calves, 4,793 hogs and pigs. Gross returns of \$171,237.60 were given by 6 of these markets.

Individual summaries follow:

— Arcadia State Livestock Market, sale of August 12, 454 cattle and calves, 1 horse.

— Belle Glade, Glades Livestock Market Assn. August 10, 946 cattle and calves.

— DeFuniak Springs Walton County State Livestock Market August 13, 24 cattle and calves, 230 hogs and pigs.

— Gainesville Livestock Market, August 10-11, 1,048 cattle and calves, 841 hogs and pigs.

— Jay State Livestock Market, August 11, 36 cattle and calves, 537 hogs and pigs.

— Kissimmee Livestock Market, August 12, 1,162 cattle and calves, 16 hogs and pigs.

— Lakeland, Cattlemen's Livestock Market, August 11, 644 cattle and calves, 43 hogs and pigs.

— Live Oak, J. D. Odom's Livestock Palace, August 12, 576 cattle and calves, 1,152 hogs and pigs.

— Monticello Stock Yards, August 10, 369 cattle and calves, 680 hogs.

— Palatka State Livestock Market, August 12, 261 cattle and calves, 19 hogs and pigs, 3 goats.

— Sarasota's Cattle and Commission Sales, August 11, 287 cattle and calves.

— Tampa, Dales Livestock Auction Market, August 10, 819 cattle and calves, 60 hogs and pigs.

— Wauchula, Hardee County Livestock Auction Market, August 13, 758 cattle and calves.

## Grocers Organize

TAMPA—Organization of a new State Grocers Association was announced last week by William N. Munroe, long identified with grocers' activities in Florida.

Munroe said the new association will cooperate with such groups as the Florida State Chamber of Commerce, Florida Fruit and Vegetable Association, Florida Citrus Commission and Florida Citrus Mutual, Florida Dairy Association and others to advance the sale of Florida products.

The new organization will also make a study of Florida's canning industry, working with the Florida Canners Association to promote the sale of Florida canned and packed products.

Frank Greco of Tampa was named president of the new association and Munroe will serve as secretary-treasurer.

Sales of Winn-Lovett Grocery Company during July increased 14.74 per cent over the same month a year ago, officials report.

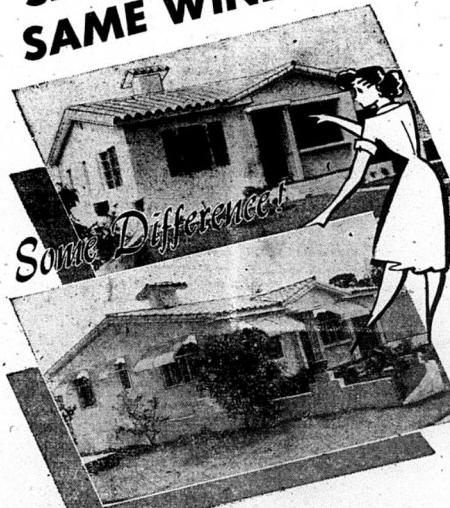

President Eisenhower has designated October 24 as United Nations Day, saying "the need for the international organization is greater than ever before."

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$83.67 . . . a \$27.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new, current income Bond available in denominations of \$500 to \$10,000. Redemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

(continued from page 1) from this area have been invited to attend the public session which will open at 2 o'clock.

In accepting the invitation of the RDB committee Col. Schull writes: "I feel the public meeting as proposed will be a most helpful medium for reconciling ideas of individuals and groups and for acquainting all interested parties as to the present status of the work and what might be done in the future. I am pleased to accept your invitation to attend with two or three members of my staff and I will be prepared to discuss the present status of the project and future programming."

In the call to members of the 45-man flood control committee of RDB, Chairman Jones reminded members that from the inception of the committee's organization following the 1947 floods, to date, at least 42 members of the committee have attended every meeting of the group.

"This in itself," he said, "has been a source of inspiration and subject of comment by people in many quarters. Such concentration of effort has borne results which are obvious on every hand."

"The time has come," he continued, "when our committee must again get behind the overall program. The meeting in Belle Glade will be for the purpose of taking stock of work accomplished to date, work which should have been done, work which must be done in the near future and for discussion of the most effective means of procuring accelerated Federal funds for the project."

Formal invitation to the governing board of the Central and Southern Florida district was issued at the last board session by Emmett S. Roberts, president of RDB who is also a member of the FCD governing board.

It is expected that several group meetings of officials and landowners in the county and in the Everglades agricultural area adjacent to Lake Okeechobee will be held in advance of the county-wide session to prepare for presentation of landowners opinions to the Federal and District officials.

Senators Speppard Holland and George Smathers, Congressmen Dwight Rogers and William Lantaff have been invited to attend the session.

Fred and Percy Mansfield Post 90, Pahokee American Legion, at a meeting Monday night made some changes in their plans to send a group of local boys to Miami to see the Legion-sponsored national junior baseball "Little World Series" which will be played in the Miami Stadium Sept. 1-5. Instead of furnishing free transportation for the boys to Miami on Sept. 5, as previously planned, it was decided to cooperate with the Belle Glade American Legion in a joint sponsorship of a motorcycle to the Miami Stadium, the motorcycle scheduled to leave Belle Glade at 5 p. m. Sept. 3, and arrive at the stadium at 7 p. m. Local boys wishing to ride in this motorcycle are asked to contact Coach Webb Pell, who has charge of the distribution of free tickets, or any other member of Post 90.

Commander Melvin Spooner was named in charge of the first of a series of public barbecues to be held on the Legion grounds on the dates of the home football games of the Pahokee Blue Devils, this barbecue to be held the evening of Sept. 18 prior to the start of the season's opener between Pahokee and Clewiston.

**Phillips Opens 50 Tampa Stations**

TAMPA—In one of the biggest grand opening operations ever seen in Florida, Phillips Petroleum Company officially opened the driveway of their more than 50 Phillips 66 service stations in Tampa last Saturday.

This week similar openings will be celebrated at 23 more service stations in western and central parts of the state.

Ceremonies are scheduled for Tuesday at Lakeland, Sarasota, Bradenton, Avon Park, Plant City, Auburndale and Wauchula. Additional openings are on tap for Thursday in Gainesville, Orlando, Winter Haven, Ocala, Haines City, Leesburg, Eustis, Mount Dora and Tavares.

On September 1, stations in Sebring will be officially opened and additional Phillips stations will start operations in Clearwater, St. Petersburg, Largo and Tarpon Springs on September 19. Other Phillips outlets will be opened in Florida as they are completed.

Phillips marketing operations in Florida are handled by independent distributors, in keeping with the company's policy throughout its sales territory. Florida distributors are being assisted in the openings by 66 salesmen from other divisions and from the company's headquarters in Bartlesville, Okla. homa.

The company's operations now reach from Florida to the Pacific Northwest and from the Canadian border to the Gulf of Mexico.

T. E. Gilmore is the Tampa division, sales manager and is headquartered in Tampa where the Phillips marine terminal is located.

Gasoline, kerosene, diesel fuel, fuel oil and related products are shipped to Tampa by tankers from the Phillips refinery at Sweeny, Texas. Lubricating oils are refined, blended and canned at the company's plant in Kansas City, Kansas.

**Cinematic Chatter**  
By Malcolm Miller

Hello everybody! I am taking Linda Darnell for my "girl of the week" in this weeks column. Having achieved stardom at 16 with her first picture, Linda, now, only a few years later, has starred in over a score of Hollywood films. I don't think any of us will forget her role in the immortal picture "Forever Amber." Miss Darnell is the delight of professional photographers, and often is cited as one of the world's most beautiful women. Linda was born in Dallas, Texas, where talent scouts discovered her when she was only fourteen,

whereupon she went to Hollywood seeking a connection. However, her first screen test failed her. On her second try, a while later, she easily obtained the top role in "Ella Maxwell's Hotel For Women." This was followed with a role opposite Tyrone Power in "Daytime Wife." She has been under contractual commitment for one picture a year in Hollywood. Miss Darnell has an adopted daughter, Lola, and one of the most beautiful homes in California, she entertains sumptuously and is considered a very popular actress in filmland. See you at the movies—Mal.
